Application Terms & Conditions – Clothes Washer Rebate Program

The following application terms and conditions (“Application Terms and Conditions”) establish the eligibility requirements and related terms and conditions for an application to the Clothes Washer Rebate Program (“Program”). The application shall be subject to approval by Climate Change Central. A completed application is not a guarantee of eligibility for a rebate under the Program nor payment of the rebate itself and is subject to the following Application Terms and Conditions:

1. Program eligibility requires that the Applicant ORDER and PURCHASE (payment in full MUST be indicated on purchase receipt) an ENERGY STAR® qualified clothes washer on or after **July 7, 2008**. Applicants are responsible for researching and ensuring they qualify under applicable eligibility criteria and Applicants hereby indemnify Climate Change Central against any liability for the same.
2. The following information MUST be clearly indicated on the purchase receipt:
 - a. Applicant’s name or identifier (Applicant MUST be the purchaser);
 - b. Purchase date;
 - c. Make and model (or store identifier) of the clothes washer;
 - d. Total amount paid in full; and
 - e. Business address from which the clothes washer was purchased.
3. The clothes washer MUST be purchased AND installed for **non-commercial use** in Alberta (as indicated by the purchase receipt). If a building allowance is being used to purchase the clothes washer for a new home, the clothes washer MUST be ordered during the program dates AND proof that the builders allowance has been expended MUST be provided.
4. The clothes washer MUST meet ENERGY STAR® qualifications as per the specifications outlined by Natural Resources Canada and the Office of Energy Efficiency. For further information on ENERGY STAR® qualified clothes washers, please visit www.energystar.gc.ca.
5. The existing clothes washer (if applicable) MUST be taken out of service and properly recycled where facilities exist.
6. A copy of the purchase receipt or other required information indicated on the application form is required. Omission of such required information will result in an incomplete application. Climate Change Central accepts no responsibility for incomplete applications which neither be processed nor held by Climate Change Central. Climate Change Central is NOT responsible for incomplete, lost, late or mis-directed mail or illegible submissions.
7. Any other rebate(s), discount(s) and/or incentive(s) offered and/or provided by any government agency, manufacturer, distributor, dealer and/or installer are separate and distinct from the Program and Climate Change Central shall not be responsible for the administration or payment of the same nor be responsible for the erroneous submission of other rebate(s), discount(s) and/or incentive(s) to Climate Change Central.
8. The Applicant is responsible for meeting all Program requirements and complying with any laws, regulations or by-laws regarding permits, codes, restrictions and/or inspections in relation to products or equipment installed. The Applicant shall be responsible for any direct or indirect taxes, duties, levies or fees or like charges incurred by Applicant as a result of participation in the Program and hereby indemnifies Climate Change Central for the same.
9. The Applicant agrees that it is solely responsible for and liable for the selection, purchase, installation and ownership/maintenance of the clothes washer listed in the application form and that Climate Change Central is not affiliated in any way with the manufacturer, distributor, dealer and/or installer of the clothes washer. The Applicant acknowledges and agrees that Climate Change Central makes no representation or warranty, whether expressed, implied, direct or indirect with respect to the clothes washer, services or other measures that the Applicant has purchased and which is the subject matter of the rebate application. The Applicant further acknowledges and agrees that Climate Change Central is not responsible for the design, verification, operation or implementation of the ENERGY STAR® program and accepts no liability nor makes any representations with respect to estimated or possible energy and/or water savings that will be incurred in the operation of the clothes washer, services or measures, and/or the installation, performance, reliability, safety, use or fitness of the clothes washer for the Applicant’s particular purpose.
10. In submitting this application, the Applicant consents to the collection and use, disclosure and retention of the personal information herein provided in accordance with these Application Terms and Conditions.
11. The Applicant consents to the disclosure of information to Climate Change Central and its contractors, employees and partners including but not limited to the Government of Alberta and/or municipal and utility partners in the Program for purposes of eligibility verification, complimentary rebates and possible issuance of a rebate cheque to the Applicant.
12. The Applicant consents to Climate Change Central using the information provided in the application to complete a follow-up survey of the Applicant to gauge the success of the Program and acknowledges Climate Change Central reserves the right to conduct field inspections to verify clothes washer installation and compliance with the Application Terms and Conditions.
13. Applicant consents to the retention of Applicant’s contact information for five years following which such information will be destroyed or made anonymous. Climate Change Central undertakes that the information provided in this application will not be sold or distributed for commercial or promotional purposes or financial gain.
14. Climate Change Central reserves the right to change or terminate the Program at any time without notice or explanation. Climate Change Central will use reasonable efforts to administer a completed eligible application received prior to such a change or termination of the Program in accordance with the Program as it existed effective as of the date of the completed eligible application.
15. Applicant should retain a copy of its application as Applicant’s original application and purchase receipt will not be returned by Climate Change Central.
16. Applicant should allow at least **eight weeks** to administer the application and, if approved, for the issuance of a rebate cheque. All rebate cheques MUST be cashed within **180 days** from the cheque’s issuance date and will NOT be re-issued after this time.
